FLOOR DEBATE

February 22, 2006 LB 975

SENATOR BEUTLER: Okay. Senator Schrock, thank you. Senator Cudaback, I'd ask for a division of the question.

SENATOR CUDABACK: Senator Beutler, you...Senator Schrock, would you please come forward and we'll see if it is divisible. Senator Beutler, the Chair recognizes you to do whatever you have to do.

SENATOR BEUTLER: Senator Cudaback, I would withdraw the amendment to the amendment.

SENATOR CUDABACK: AM2399 is withdrawn. Now you may come forward. (Visitors introduced.) The Chair does rule that the question is divisible. Mr. Clerk, please read how the question was divided, when you get time.

CLERK: Mr. President, pursuant to Senator Beutler's request and your ruling, as I understand it, there will be four components to the particular amendment. The first component will be what is Section 19, as found in AM2387; Section 19 of AM2387, Mr. President, will be the first component.

SENATOR CUDABACK: As stated by the Clerk, divided into four components. Senator Schrock, Section 19, component number one. (FA483, Legislative Journal pages 748-749.)

SENATOR SCHROCK: Mr. President, members of the Legislature, Section 19 deals with the variance portion of the bill. It's Senator Preister's bill. And so we're very glad to accommodate Senator Beutler, if he wants to deal with that one first, and we would wait for his response and ask you to support that portion of the amendment.

SENATOR CUDABACK: Heard the opening on the first component. Open for discussion. Senator Beutler.

SENATOR BEUTLER: Senator Cudaback, members of the Legislature, I have no problem with Section 19, and I would hope you would adopt that portion of the committee amendments, or Senator Schrock's amendment.
